

**Arctic Research Collaboration Workshop Participants
16 April 2021 | 9am-1pm AK**

Name	Organization
Igor Appel	TAG LLC
William Armstrong	Appalachian State University
Murat Aydin	University of California, Irvine
Tugce Baser	University of Illinois at Urbana-Champaign
Paul Berkman	Harvard University
Hannah Bradley	Princeton University
Jennifer Brewer	University of New Hampshire
Dina Brode-Roger	KU Leuven
Jennifer Campos Ayala	University of California, Irvine
Courtney Carothers	University of Alaska Fairbanks
Jason Clark	University of Alaska Fairbanks
Otis Crandell	Universidade Federal do Paraná
Véronique Dubos	Institut National de la Recherche Scientifique
Katharine Duderstadt	University of New Hampshire
Karen Endres	NOAA Climate Program Office
Elizabeth Fine	Woods Hole Oceanographic Institution
Inci Güneralp	Texas A&M University, College Station
Neil Gardner	Self
Anne Garland	Applied Research In Environmental Sciences Nonprofit, Inc.
Jessica Garron	University of Alaska Fairbanks
Helen Glazer	Self
Eric Goddard	University of Alaska Fairbanks
Jan Grzeda	Arctic Research Consortium of the U.S.
Merrick Haller	Oregon State University
Holly Hapke	University of California, Irvine
T. Robert Harris	Georgia Tech
Adelheid Herrmann	Alaska Center for Climate Assessment and Policy
Kate Hohman Billmeier	Wellspring Group Consulting
Emily Huff	Michigan State University

Anatoliy Ivakin	University of Washington
Noor Johnson	University of Colorado Boulder
Vera Kuklina	The George Washington University
Jenna Lamphere	Texas A&M University at Galveston
Laura Landrum	National Center for Atmospheric Research
Mikhail Latonin	Saint Petersburg State University
Olga Lauter	École des Hautes Études en Sciences Sociales
Kathryn Lavelle	Case Western Reserve University
Isabela Le Bras	Woods Hole Oceanographic Institution
Olivia Lee	University of Alaska Fairbanks
Sasha Leidman	Rutgers University
Siobhán Mattison	U.S. National Science Foundation
Lara Mengak	Alaska Department of Fish and Game
Martin Miles	University of Colorado Boulder
Elise Miller-Hooks	George Mason University
Brit Myers	Arctic Research Consortium of the U.S.
Robert Newton	Columbia University
Elizabeth Nyman	Texas A&M University at Galveston
Holly Parker	University of New England
Simon Pendleton	Woods Hole Oceanographic Institution
Julio Postigo	Indiana University
Bamidele Raheem	Arctic Centre, University of Lapland
Michelle Ritchie	University of Georgia
Joel Rowland	Los Alamos National Laboratory
Marya Rozanova-Smith	Russian State Hydrometeorological University
Margaret Rudolf	University of Alaska Fairbanks
Mark Seefeldt	CU Boulder
Michael Steele	University of Washington
Andrew Stumpf	University of Illinois at Urbana-Champaign
Ingrid Tomac	University of California, San Diego
Brian Vasel	U.S. National Oceanic and Atmospheric Administration
Pips Veazey	University of Alaska Fairbanks
Ingrid Verstraeten	U.S. Geological Survey
Lawrence Vulis	University of California, Irvine
Liz Weinberg	U.S. Interagency Arctic Research Policy Committee
Corrie Whitmore	University of Alaska Anchorage
Helen Wiggins	Arctic Research Consortium of the U.S.
Joshua Young	University Corporation for Atmospheric Research
Lauren Zamora	University of Maryland, College Park
