

**2014 Sea Ice Outlook Post-Season Discussion**

**Webinar Participants, 9 October 2014**

*This webinar had 70 participants.*

<i>First Name</i>	<i>Last Name</i>	<i>Organization</i>	<i>Country</i>
Heather	Archambault	NOAA/Climate Program Office	
David	Bailey	National Center for Atmospheric Research	U.S.
Dan	Barrie	NOAA/Climate Program Office	U.S.
Neil	Barton	Naval Research Lab	U.S.
Sabine	Baumann	Technische Universität MÜNCHEN	Germany
Cecilia	Bitz	University of Washington	U.S.
Edward	Blanchard-Wrigglesworth	University of Washington	U.S.
Sara	Bowden	Interagency Arctic Research Policy Committee	U.S.
Paul	Budge	citizen scientist	United Kingdom
Mitch	Bushuk	New York University	U.S.
Scott	Carr	Bureau of Safety and Environmental Enforcement-Alaska Region	U.S.
Wei	Cheng	NOAA/Pacific Marine Environmental Laboratory	U.S.
Kristina	Creek	Arctic Research Consortium of the U.S.	U.S.
Richard	Cullather	NASA Global Modeling and Assimilation Office	U.S.
Jonny	Day	Center for Polar Observation and Modeling, Dept. of Meteorology, University of Reading	United Kingdom
David	Douglas	USGS Alaska Science Center	U.S.
George	Durner	USGS Alaska Science Center	U.S.
Hajo	Eicken	University of Alaska	U.S.
Kathryn	Eident	Woods Hole Oceanographic	U.S.
Judy	Fahnestock	Arctic Research Consortium of the U.S.	U.S.
Shejun	Fan	Shell Global Solutions	U.S.
Florence	Fetterer	CIRES National Snow and Ice Data Center	U.S.
Kathleen	Fischer	Applied Research in Environmental Sciences Nonprofit, Inc.	U.S.
Aimee	Fish	NOAA/National Weather Service Alaska Region	U.S.
Neven	Fuckar	Institut Català de Ciències del Clima (IC3)	Spain
Anne	Garland	Applied Research in Environmental Sciences Nonprofit, Inc.	U.S.
Helge	Goessling	Alfred Wegener Institute	Germany
Virginie	Guemas	Institut Català de Ciències del Clima (IC3)	Spain
Ian	Hartwell	NOAA	U.S.
Becki	Heim	NOAA/National Weather Service Alaska Region	U.S.
Stephen	Howell	Environment Canada	Canada
Janet	Intrieri	NOAA	U.S.
P.	Jayaprasad	Space Applications Centre- Indian Space Research Organisation	India
Mark	Johnson	University of Alaska Fairbanks	U.S.
Phil	Jones	University of Alaska Fairbanks	U.S.
Marie	Kapsch	Department of Meteorology, Stockholm University	Sweden
Karen	Keith	NOAA/Oceanic and Atmospheric Research	U.S.
Alexander	Khokhlov	PND Engineers, Inc.	U.S.
Sandy	Lucas	NOAA/Climate Program Office	U.S.
Torge	Martin	n/a (Polar Science Center??) Univ of Washington	Germany
Francois	Massonnet	Université Catholique de Louvain / Institut Català de Ciències del Clima	Belgium / Spain
Walter	Meier	NASA Goddard	U.S.
Drew	Peterson	Met Office	United Kingdom
Pam	Posey	Naval Research Laboratory	U.S.
Terrance	Ralston	Arctic Consultant	U.S.
D. Ram	Rajak	Space Applications Centre- Indian Space Research Organisation	India
James	Richman	Naval Research Laboratory	U.S.
Andrew	Roberts	Naval Postgraduate School	U.S.
Jessica	Rohde	Interagency Arctic Research Policy Committee	U.S.
Vicki	Sahanatien	University of Alberta	Canada
Mary-Beth	Schreck	National Weather Service	U.S.
David	Schröder	Center for Polar Observation and Modeling, Dept. of Meteorology, University of Reading	United Kingdom
Michael	Sigmond	Canadian Centre for Climate Modelling and Analysis	Canada
Andrew	Slater	National Snow and Ice Data Center	U.S.
Nancy	Soreide	NOAA/Pacific Marine Environmental Laboratory	U.S.
Leandra	Sousa	North Slope Borough Department of Wildlife	
Yvette	Spitz	College of Oceanic and Atmospheric Sciences - Oregon State Univ.	U.S.
Julienne	Stroeve	National Snow and Ice Data Center	U.S.
Neil	Swanberg	National Science Foundation	U.S.
Steffen	Tietsche	NCAS-Climate/University of Reading	United Kingdom
Adrienne	Tivy	National Research Council of Canada	Canada
Michel	Tsamados	Reading University	United Kingdom
Betsy	Turner-Bogren	Arctic Research Consortium of the U.S.	U.S.
John	Walsh	International Arctic Research Center	U.S.
Muyin	Wang	NOAA/Oceanic and Atmospheric Research	U.S.
Helen	Wiggins	Arctic Research Consortium of the U.S.	U.S.
Bill	Wiseman	National Science Foundation	U.S.
Xingren	Wu	NOAA/Environmental Modeling Center	U.S.
Xiaojun	Yuan	Lamont-Doherty Earth Observatory of Columbia University	U.S.

*An additional six individuals participated by telephone*
