# North Slope Science Initiative (NSSI)

ARCUS, Anchorage March 24, 2017

Focus on COLLABORATIVE development of REGIONAL data  
to support research and management decision making  
on the North Slope.

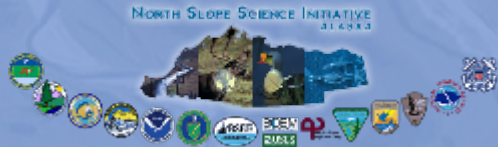

Jess Grunblatt

University of Alaska-Anchorage

Alaska Center for Conservation Science (ACCS)

## Data Development

- Unique technical data (industry)
- Scenarios (NSSI agencies)
- Permafrost (NSSI, ALCC, UAF)
- Ecoregions (NSSI, ALCC, UAF, ABR)
- Lake Liquid Winter Water (NSSI, NFWF)
- Landcover (NSSI agencies)
- Hydro/Met-IMIQ (NSSI, ALCC)

## Continuing Work

Infrastructure, hydrology and/  
cumulative impacts.
