

# UArctic North American Member Networking Meeting

## MEETING AGENDA (5/27/22)

Date: Tuesday, 31 May 2022  
Time: 8:00 am ET - 12:30 pm ET  
Location: Abromson Center, Room 109/110  
University of Southern Maine

---

### Meeting Goals:

- Connect UArctic's North American Members and provide an opportunity for institutions to highlight current activities and capabilities.
- Discuss different mechanisms (e.g. UArctic thematic networks, funding sources, regional networks, etc.) supporting U.S and Canadian research collaboration
- Build stronger connections among meeting participants from the same county, identifying nation-specific topics or issues that would benefit from new or enhanced collaborations.

#### *Outcomes:*

- The creation of a report based on community discussions highlighting the capabilities of UArctic's North American members and recommended avenues and opportunities for enhanced Arctic research collaboration between the U.S. and Canada as well as at the national level.
